GoPro Camera Release

I understand I am purchasing footage from a GoPro camera, which will be taken during my gondola cruise. I acknowledge that the camera and accessories are property of Gondola Adventures and will be mounted to the gondola during my cruise.

My gondolier may give me the opportunity to remove the camera from the mounting to take more personalized photos.

I hereby agree that any damage or loss to the camera, accessories, or mounting surface during my cruise will be my responsibility, and costs for repair or replacement will be charged to my credit card. My liability is limited to any damage or loss that occurs during personal handling of the equipment by me or my guest(s).
